Hancock Overlook

In Conway, turn south on great Route 153 (BONE Road) and stop at the nice [Eaton Village Store](#). Continue south on Route 153 to Sanbornville.

Turn right on Route 109 and follow it past the [Wright Museum](#) and into Wolfeboro.

Wright Museum

Leave Wolfeboro on Route 109A/Chickville Road (BONE Road). Turn left on Route 16 and then left again on Route 25. Turn right onto Route 113 (BONE Road) and follow the great curves along Squam Lake. Turn left on Route 3 and stop for lunch at [Hart's Turkey Farm](#) in Meredith.

After lunch, ride north on Route 3 and turn left on Waukegan Road. Waukegan Road/Winona Road is one great twisty. The combination of great scenery along Lake Waukegan and Winona Lake and great twists on Winona Road will put a smile on your face!

Turn left on Route 132 (BONE Road), right on Route 104, and right again onto Route 3A. In Bristol, turn left onto gorgeous West Shore Road along Newfound Lake (BONE Road). North of the lake, the curves come fast & furious on North Groton Road and Halls Brook Road (great riding!)

Turn left on Route 25 and continue on Twisty Route 118 through the White Mountain National Forest. Stop at the Route 118 Scenic View for a great photo op and then continue to Route 112 and the hotel in Lincoln.
