Continue west on Route 302 and then turn south on bucolic Powder Spring Road/E. Topsham Road (ahhhh.....old Vermont.) Turn right on Vermont Route 25 over to the very scenic VT 110 (BONE Road).

Enjoy the curves, dairy farms, and vistas as you ride south on beautiful Route 110 to South Royalton. There are some superb farm views on this stretch. Watch out for moose if you got an early start. If you got a late start or feel like brunch, stop at [Eaton's Sugar House](#).

Proceed south on Route 14 and then turn left onto VT Route 132. Route 132 has great curves with some nice elevation changes. Turn left on Academy Road, cross the covered bridge, and ride past Thetford Academy. Turn left on Route 113 and then right on Route 244 and ride past pretty Lake Fairlee.

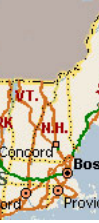

Next enjoy a nice twisty ride with great views along the shore of Lake Morey. Continue into Bradford and lunch at either [Colatina Exit](#) or [The Northwoods Cafe](#).

After lunch, turn east on NH Route 25C and ride past Lake Tarleton to NH Route 118. Turn north on Route 118 (BONE Road) and enjoy the great curves and stop for a great view at the Route 118 scenic vista (BONE View).
